

LTC Rate Update Schedule

The following table lists scheduled LTC rate events, and will be updated regularly as new LTC rate events are planned and executed. It does not include Erroneous Payment Corrections (EPCs) for rate adjustments due to an audit appeal or individual rate correction. This schedule is intended to help provide current information, and does not represent a commitment from DHCS. Projected install dates are approximate and likely to change. Highlighted rows indicate new or changed information since the last update.
