

**Medi-Cal Specific Request for Live Scan Service Now Available**

A copy of the California Department of Justice *Request for Live Scan Service* (BCIA 8016), which includes prefilled Medi-Cal-specific information, is now available. Providers may download the form from the [Application Forms by Form Name and Number](#) section of the Provider Enrollment page. This form is required for all providers designated by the Department of Health Care Services (DHCS) as “high risk.”

Additional information about this form, including Medi-Cal requirements for completing and submitting the form, is available in the article “[Medi-Cal Requirement to Submit Fingerprints for a Criminal Background Check](#).”

Providers can also visit the [Fingerprint Background Checks](#) page of the California Department of Justice website for additional information on fingerprint background checks and live scan sites.
