

### **Release 3.0 Provider Types Eligible for Provider Application and Validation for Enrollment (PAVE)**

The Department of Health Care Services (DHCS) has instituted a web-based Medi-Cal provider enrollment system named [PAVE](#), which stands for “Provider Application and Validation for Enrollment.” PAVE provides a new mode of submitting provider enrollment applications and required documentation to DHCS by means of an electronic form, called the *Medi-Cal Provider e-Form Application* (e-Form). This bulletin is effective August 2, 2018.

Based upon the authority granted to the director of DHCS in *Welfare and Institutions Code* (W&I Code), Section 14043.75(b), the director hereby extends the implementation of the Medi-Cal web-based provider application system and institutes the *Medi-Cal Provider e-Form Application* as a proper and legal method for completing the Medi-Cal provider application process for the additional provider types listed in this bulletin. This regulatory bulletin is implementing and making specific the W&I Code, Sections 14043.15, 14043.25, 14043.26, 14043.27, 14043.28, 14043.29 and 14043.38, and has the full force and effect of law.

DHCS continues to implement PAVE in multiple releases to include additional provider types, including groups where applicable, and additional enrollment functions and actions. Release 3.0 includes these provider types:
