Dear LEA Provider,

Subject: Resubmission of Claims

EDS has identified a system error that resulted in the erroneous denial of certain claims for service code 96101 (psychological testing) with Remittance Advice Details (RAD) code: **37: Health care plan enrollee, or mental health plan recipient, capitated/covered service not billable to Medi-Cal.** This error occurred from the activation of the procedure (dates of service November 1, 2006, onward) through date of processing May 1, 2008.

No action is required on your part. EDS has resubmitted the outstanding affected claims. These resubmits will be paid, or denied for a valid reason if a different error is found. These resubmits appear on RADs beginning June 19, 2008, with CCN prefix **815855**.

If you disagree with any of these resubmits, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal Web site (www.medi-cal.ca.gov).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11 and then option 18.

Sincerely,

A handwritten signature in cursive script that reads 'Nona Carpenter'.
