Dear Ultrasound Provider,

Subject: Resubmission of Claims

The Department of Health Care Services (DHCS) has made certain obstetric ultrasounds payable for certain abortion diagnoses, effective for dates of service on or after March 1, 2005. The claims processing system was updated on June 2, 2008.

No action is required on your part. EDS has resubmitted the affected claims for obstetric ultrasounds that were previously denied for certain abortion diagnosis codes. These resubmits will be paid, or denied for a valid reason if a different error is found. These resubmits will appear on *Remittance Advice Details* (RAD) beginning July 2, 2008 with Claim Control Number (CCN) prefix **817055**.

If you disagree with any of these resubmits, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal Web site (www.medi-cal.ca.gov).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, select option 11 and then option 18.

Sincerely,

A handwritten signature in cursive script that reads "Nona Carpenter".
