

October 29, 2009

Dear Provider,

Subject: Resubmission of Claims

EDS, an HP company, has discovered a system error that resulted in the denial of non-TAR surgical procedures when billed on the same claim form with a surgical procedure approved with a *Treatment Authorization Request* (TAR) (HCPCS codes Z1030 – Z1038, Z1200 – Z1212, or CPT-4 code series 10000 – 69999).

No action is required on your part. EDS is resubmitting the affected claims since *Remittance Advice Details* (RADs) date February 11, 2003 through February 3, 2009. Resubmits will appear on RADs beginning November 5, 2009, with CCN prefix **930055**.

If you disagree with any of these resubmits, you may submit a *Claims Inquiry Form* (CIF) within six months from the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal Web site ([www.medi-cal.ca.gov](http://www.medi-cal.ca.gov)).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11 followed by option 18.

Sincerely,

A handwritten signature in black ink that reads 'Nona Carpenter'.

Nona Carpenter  
Provider Relations Director
