Dear Local Education Agency (LEA) provider,

Subject: Void of Erroneous Paid Claims

The Department of Health Care Services (DHCS) and EDS, an HP company, have identified a system error that resulted in the erroneous overpayment of non-IEP and non-IFSP assessment, treatment and transportation service claims. These claims should have been denied for *Remittance Advice Details* (RAD) code **9173: LEA services are limited to 24 occurrences per year.**

No action is required on your part. EDS will recover the erroneously paid claims that appeared on RADs beginning November 2, 2006, through October 1, 2009. Voids will appear on RADs beginning December 31, 2009, with RAD code **826: Claim void due to related claim(s) previously reimbursed.** Voids will display Claim Control Number (CCN) prefix **935777.**

This recovery is authorized under the provisions of *Welfare and Institutions Code* (W&I Code), Sections 14176 and 14177, and *California Code of Regulations* (CCR), Title 22, Section 51458.1(a)(1). In addition, the W&I Code sections authorize DHCS to enter into repayment agreements with providers or offset overpayments against amounts due. If your total warrant amount is not sufficient to offset the recovery, the negative balance will be converted to an accounts receivable transaction and subtracted from future Medi-Cal payments.

If you disagree with any of these voids, you may submit an appeal within 90 days of the void RAD date. Please refer to the *Appeal Form Completion* section in a Part 2 Medi-Cal provider manual or on the Medi-Cal Web site (www.medi-cal.ca.gov).

If you have any questions regarding this adjustment, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11 followed by option 18.

Sincerely,

A handwritten signature in black ink that reads 'Nona Carpenter'.
