Dear Provider,

Subject: Resubmission of Denied Claims for Procedure Code 82785

In May 2010, the Department of Health Care Services (DHCS) established the new policy for CPT-4 code **82785** (Gammaglobulin) which requires no medical justification, effective retroactively to April 1, 2009. HP Enterprise Services implemented the new policy on June 7, 2010. The retroactive effective date resulted in claims billed with procedure code **82785** on or after April 1, 2009, through June 7, 2010, to be denied erroneously with Remittance Advice Details (RAD) codes **184: This procedure requires medical justification. The documentation supplied is insufficient or no remarks/attachments are provided** and **188: This is a "By Report" procedure. No report is attached or the attached report is insufficient to warrant payment.**

No action is required on your part. HP is resubmitting the impacted claims. These resubmissions will be paid or denied for a valid reason, and will appear on your RADs beginning October 12, 2010, with Claims Control Number (CCN) prefix **028155**.

If you disagree with any of these resubmissions, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11 followed by option 17.

Sincerely,

A handwritten signature in black ink that reads "Nona Carpenter".
