November 9, 2010

Dear Provider,

Subject: Adjustments of Claims for Selected Injections

Effective for dates of service on or after July 1, 2010, the Department of Health Care Services (DHCS) changed the prices for the following injection procedures: X5622, X5674, X5728, X5810, X5972 and X7122. The system was updated with the new prices on August 16, 2010. However, claims processed for dates of service from July 1, 2010 through August 16, 2010 were underpaid.

No action is required on your part. HP Enterprise Services is adjusting the affected claims for dates of service from July 1, 2010 through August 16, 2010. These adjustments will appear on your *Remittance Advice Details* (RADs) beginning November 18, 2010, with RAD code **883: Retroactive price correction** and Claim Control Number (CCN) prefix **0-312-77**.

If you disagree with any of these adjustments, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11, followed by option 17.

Sincerely,

A handwritten signature in black ink that reads "Nona Carpenter". The signature is written in a cursive, flowing style.
