Dear Provider,

Subject: Resubmission of Claims

HP Enterprise Services has identified a claims processing issue which resulted in the erroneous denials of claims billed for HCPCS code J9217. Affected claims were denied with Remittance Advice Details (RAD) code **116: This procedure is payable only once per month (30 days)**. The system was corrected to change the frequency restriction on September 27, 2010.

No action is required on your part. HP has resubmitted the affected claims for dates of service from September 15, 2009 through September 20, 2010. These resubmissions will be paid, or denied for a valid reason, on RADs beginning February 3, 2011, with Claim Control Number (CCN) prefix **102155**.

If you disagree with any of these resubmissions, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11, followed by option 17.

Sincerely,

A handwritten signature in black ink that reads "Nona Carpenter".
