Dear Provider,

Subject: Resubmission of Claims

Medi-Cal Benefits, Waiver Analysis, and Rates Division (MBWARD) revised policy retroactively to allow reimbursement for newborn resuscitation (CPT-4 procedure code 99465) on the same date of service as neonatal intensive care unit claims (procedure codes Z0100 – Z0108, and Z0312). Affected claims were denied with Remittance Advice Details (RAD) code **0072: This service is included in another procedure code billed on the same date of service.**

No action is required on your part. HP Enterprise Services has resubmitted the affected claims that appeared on *Remittance Advice Details* (RADs) beginning on September 10, 2009. These will appear on RADs beginning June 9, 2011 with Claim Control Number (CCN) prefix **114355**.

If you disagree with any of these resubmits, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11, followed by option 17.

Sincerely,

A handwritten signature in cursive script that reads "Nona Carpenter".
