Dear Inpatient Provider,

Subject: End of 10 Percent Payment Reduction

In order to comply with Senate Bill 90 (2011), HP Enterprise Services (HP) retroactively updated the California Medicaid Management Information System (CA-MMIS) to end the 10 percent payment reduction for inpatient community and county hospitals beginning with date of service April 13, 2011. Claims submitted through the update on May 13, 2011 were potentially underpaid.

No action is required on your part. HP is adjusting the affected claims that appeared on *Remittance Advice Details* (RADs) beginning April 21, 2011. These will appear on RADs beginning July 14, 2011 with CCN prefix **118677** and RAD code **0893: Retroactive rate adjustment**.

If you disagree with any of these adjustments, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections, in the appropriate Part 2 manual or on the Medi-Cal website at (www.medi-cal.ca.gov)

If you have questions, please call the Telephone Service Center at 1-800-541-5555, option 11 followed by option 17.

Sincerely,
