Subject: Adjustment of Claims for Anesthesia Services

Dear Providers:

The Department of Health Care Services (DHCS) retroactively updated the pricing policy pertaining to Certified Registered Nurse Anesthetist (CRNA) services (procedure codes 00100-01999) effective March 3, 2011. The California Medicaid Management Information System (CA-MMIS) was updated on May 24, 2011. Due to this retroactive policy change, some of the anesthesia service claims processed from March 3, 2011 through May 24, 2011 were underpaid with a quantity cutback.

No action is required on your part. Xerox State Healthcare, LLC is adjusting the affected paid claims processed from March 3, 2011 through May 24, 2011. Adjustments will appear on *Remittance Advice Details* (RADs) beginning July 26, 2012, with RAD code **881: Adjustment of anesthesia claims.**

If you disagree with any of these resubmissions, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11, followed by option 17.

Sincerely,

Rick McMahan
