Subject: Adjustment of Claims

Dear Local Education Agency Provider:

The Department of Health Care Services (DHCS) has updated the rebased reimbursement rates for Local Educational Agency (LEA) services for State Fiscal Year (SFY) 2010/2011. In addition, the temporary Federal Medical Assistance Percentage (FMAP) was increased for SFY 2010/2011, as established by the *American Recovery and Reinvestment Act of 2009*.

The updates were implemented in the California Medicaid Management Information System (CA-MMIS) on August 15, 2011, with an effective date of July 1, 2010. Due to late implementation, claims billed by LEA providers for dates of service from July 1, 2010, through June 30, 2011, were underpaid or overpaid.

No action is required on your part. Xerox State Healthcare, LLC, (Xerox) will adjust the affected claims. These adjustments will appear on the *Remittance Advice Details* (RADs) beginning August 9, 2012, with **RAD code 0875: LEA providers retroactive rate adjustment**.

If you disagree with any of these adjustments, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov).

If you have questions in regard to repayment options or would like to obtain an estimate of what your recoupment or overpayment will be, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 5, followed by option 6.

Sincerely,

Rick McMahan
