November 12, 2012

**Subject: Adjustment of Claims for HCPCS code J1630**

Dear Providers:

The rate for HCPCS procedure code J1630 (injection, haloperidol, up to 5 mg) was erroneously overpaid \$0.52 per unit for any claims processed from May 1, 2011 through June 30, 2011. The rate should have been \$9.17. The rate on file was updated on June 30, 2011.

No action is required on your part. Xerox State Healthcare, LLC is adjusting the affected paid claims adjudicated from May 1, 2011 through June 30, 2011. These adjustments will appear on *Remittance Advice Details* (RADs) beginning November 15, 2012, and may be identified by RAD code **0883: Retroactive price correction**.

If you disagree with any of these adjustments, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website ([www.medi-cal.ca.gov](http://www.medi-cal.ca.gov)).

If you have any questions regarding this adjustment, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 5, followed by option 6.

Sincerely,

*Rick McMahan*
