Subject: Resubmission of Claims

Dear Provider:

Beginning December 31, 2011, through June 25, 2012, claims billed with Procedure Code J0171 (adrenalin epinephrine injection – 0.1 mg) were erroneously denied with Remittance Advice Details (RAD) code **0140: This is not a valid code for billing Medi-Cal services; for Medicare correlation only.**

Xerox State Healthcare, LLC (Xerox) has identified the system error that resulted in the incorrect denial and has adopted measures to correct the system.

No action is required on your part. Xerox will resubmit affected claims for dates of service from December 31, 2011 through June 25, 2012. These resubmissions will appear on RADs beginning June 20, 2013, with Claim Control Number (CCN) prefix **315755**. The claims are still subject to all billing criteria as governed by Medi-Cal policy and could be denied for a reason other than RAD code 0140.

If you disagree with any of these resubmissions, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov).

If you have questions regarding these resubmissions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 5 followed by option 6.

Sincerely,

Tanya E. Schuhmeier
