**Subject: Pharmacy Rates Update for Designated Physician-Administered Drugs**

Dear Provider:

The Department of Health Care Services (DHCS) has updated pharmacy rates for designated physician-administered drugs for the fourth quarter of 2012. DHCS has also updated the unit date from "existing" to "121001."

No action is required on your part. Xerox State Healthcare, LLC, will adjust the affected claims filed for dates of service from October 1, 2012, to December 31, 2012. These adjustments will appear on *Remittance Advice Details* (RADs) beginning July 18, 2013, with RAD code **0893: Retroactive rate adjustment**.

If you disagree with any of these adjustments, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website ([www.medi-cal.ca.gov](http://www.medi-cal.ca.gov)).

If you have questions regarding these adjustments, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 5 followed by option 6.

Sincerely,

*Tanya E. Schuhmeier*
