**Subject: Resubmission of Denied Claims with HCPCS Code J1642**

Dear Provider:

Xerox State Healthcare, LLC, (Xerox) has identified and corrected a system error that erroneously denied claims for HCPCS code J1642 (Injection, heparin sodium, [heparin lock flush], per 10 units) paired with National Drug Codes (NDCs) 64253033335, 64253022235 and 08290306515 with dates of service on or after April 1, 2009.

No action is required on your part. Xerox will resubmit the affected claims. The resubmitted claims will be paid or denied for a valid reason and will appear on *Remittance Advice Details* beginning August 1, 2013.

If you disagree with any of these resubmissions, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website ([www.medi-cal.ca.gov](http://www.medi-cal.ca.gov)).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 5, followed by option 6.

Sincerely,

*Tanya E. Schuhmeier*
