October 2, 2013

**Subject: Resubmission of Claims with CPT-4 Code 86849**

Dear Provider:

On January 2, 2013, the Department of Health Care Services (DHCS) determined that reimbursement for AlloMap<sup>®</sup> Molecular Expression Testing no longer required providers to include an invoice when using CPT-4 code 86849 (unlisted immunology procedure).

No action is required on your part. Xerox State Healthcare, LLC will resubmit impacted claims effective for dates of service between December 1, 2011, and January 2, 2013, which were denied with Remittance Advice Details (RAD) code **0353: Unlisted medical supplies and certain "By Report" procedures require manufacturer's name, catalog (item) number and a copy of manufacturer's catalog page (or supplier's invoice) showing wholesale price.**

These resubmissions will be paid or denied for a valid reason and will appear on RADs beginning September 26, 2013, with Claim Control Number (CCN) prefix **325255**.

If you disagree with any of these resubmissions, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website ([www.medi-cal.ca.gov](http://www.medi-cal.ca.gov)).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 5, followed by option 6.

Sincerely,

*Tanya E. Schuhmeier*
