Subject: Resubmission of Erroneously Denied Claims for HCPCS Code J3475

Dear Provider:

The Department of Health Care Services (DHCS) identified a claims processing issue causing some claims for HCPCS code J3475 (injection, magnesium sulfate per 500 mg) to erroneously deny with Remittance Advice Details (RAD) code **9898: HCPCS qualifier and NDC/UPN is invalid**. The issue affected claims for dates of service from August 20, 2014, through November 24, 2014.

No action is required on your part. Xerox State Healthcare, LLC (Xerox), will resubmit the erroneously denied claims. These resubmissions began appearing on RAD forms on March 26, 2015, with Claim Control Number (CCN) prefix **507055**.

If you disagree with any of these resubmissions, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date or you may submit an *Appeal Form* within 90 days of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov). For *Appeal Form* completion instructions please refer to the *Appeal Form Completion* section in the appropriate Part 2 manual or on the Medi-Cal website.

If you have questions regarding these resubmissions, please call the Telephone Service Center at 1-800-541-5555, option 5, followed by option 6.

Sincerely,

Tanya E. Schuhmeier
