Subject: Resubmission of Erroneously Denied Family PACT Program Claims

Dear Provider:

The Department of Health Care Services (DHCS) identified a claims processing issue affecting certain Family Planning, Access, Care and Treatment (Family PACT) Program claims. This issue caused claims to erroneously deny with Remittance Advice Details (RAD) code **0202: The primary diagnosis code is invalid for the age of the recipient**. The issue affected claims for dates of service from November 10, 2015, through April 11, 2016.

No action is required on your part. Xerox State Healthcare, LLC (Xerox) will resubmit the affected claims. These resubmissions will appear on RAD forms beginning August 25, 2016, with Claim Control Number (CCN) roll number **55 (Resubmit)**. The roll number is the fifth and sixth digits of the CCN.

If you disagree with any of these resubmissions, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date or you may submit an *Appeal Form* within 90 days of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov). For *Appeal Form* completion instructions, please refer to the *Appeal Form Completion* section in the appropriate Part 2 manual or on the Medi-Cal website.

If you have questions regarding these resubmissions, please call the Telephone Service Center at 1-800-541-5555, option 5, followed by option 6.

Sincerely,

Tanya E. Schuhmeier
