Subject: Resubmission of Erro erroneously Denied Radiology Claims

Dear Provider:

The Department of Health Care Services (DHCS) identified a claims processing issue affecting certain radiology claims billed with select split billable procedure codes. This issue caused claims to erroneously deny with Remittance Advice Details (RAD) code 0090: The combination of procedure code and modifier is not valid on the dates of service billed. The issue affected claims for dates of service from August 26, 2014, through September 11, 2018.

No action is required on your part. The California Medicaid Management Information System (MMIS) Fiscal Intermediary, Conduent State Healthcare, LLC, will resubmit the affected claims. These resubmissions will appear on RAD forms beginning September 19, 2019, with Claim Control Number (CCN) prefixes 925455, 925555, and 925655.

If you disagree with any of these resubmissions, you may submit a Claims Inquiry Form (CIF) within six months of the new RAD date or you may submit an Appeal Form within 90 days of the new RAD date. For CIF completion instructions, please refer to the CIF Completion and CIF Special Billing Instructions sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov). For Appeal Form completion instructions, please refer to the Appeal Form Completion section in the appropriate Part 2 manual or on the Medi-Cal website.

If you have questions regarding these resubmissions, please call the California MMIS Fiscal Intermediary Telephone Service Center at 1-800-541-5555, option 5, followed by option 6 or write to the California MMIS Fiscal Intermediary Correspondence Specialist Unit at P.O.
