

Medical Supply Billing Roundtable: Action Items List
August 27, 2008

Action Item	Assignee	Status
1. Schedule additional roundtable forums and add to Communication Plan.	Medi-Cal	The next roundtable has been scheduled for the mid-October timeframe.
2. DHCS to follow-up with the TAR field offices and CCS program offices to discuss providers' concerns with transitioning active TAR/SARs to HCPCS.	DHCS	More details about the TAR/SAR transition plan will be included in the next round table, scheduled for October 29, 2008.
3. Future provider communications and FAQs will include more information on which products are in/out of this conversion.	DHCS	See FAQ for additional information about product impacts. FAQs will be posted on the Medi-Cal Web site.
4. Future provider communications and FAQs will better clarify need for elimination of NCPDP 1.1 batch format and <i>30-1 Pharmacy Claim Form</i> .	Medi-Cal and DHCS	See FAQ for additional information about pharmacy billing impacts. FAQs will be posted on the Medi-Cal Web site.
5. Laura McIlvaine will forward Title 22 references to Medical supply claim form billing requirements.	Shield Laura McIlvaine	Laura to forward citations to Mike Wofford and Maureen Tooker.
6. Research feasibility of publishing contracted products & their UPNs and crosswalk of local codes to UPNs/HCPCS in Excel format available for download.	DHCS	The provider manual will include a listing of UPNs, HCPCS and local code crosswalks that can be downloaded by providers.
7. Ensure vendors and clearinghouses are notified of upcoming changes.	DHCS	Vendor and clearinghouse notification is included in the communication plan. Letters are anticipated to be forwarded to vendors by the end of October, 2008.
