

Electronic Billing

Faster claims are just a click away.

Save money

- Reduce postage, printing and paper costs associated with paper claims
- Improve your cash flow. Electronic claims process faster, so you can be paid faster.
- Receive Remittance Advice Details (RADs) electronically
- Submit attachments electronically using the Attachment Control Form

Save time

- Enter claim information directly into the claims processing system to reduce errors and Resubmission Turnaround Documents (RTDs)
- Track claim status online
- Fax or update medical documentation easily

Make the switch today

Submit all claim types electronically on the Medi-Cal website (www.medi-cal.ca.gov).

- Learn more about Computer Media Claims (CMC) by referencing the CMC sections of the Part 1 provider manual or by clicking CMC on the home page.
- Search for the *CMC Developers, Vendors and Billing Services Directory* and choose a software vendor.
- Visit the Forms page to access the *Medi-Cal Telecommunications Provider and Biller Application/Agreement* and the *Medi-Cal Point of Service (POS) Network/Internet Agreement*. Complete and submit these forms to receive a user name and password.

For additional information about electronic billing, contact the CMC Help Desk at 1-800-541-5555 or talk to your Medi-Cal Regional Representative.
