

Special NPI Audio Conference for Medi-Cal Providers

Location: **Call-in only**
Date: **July 30, 2008**
Time: **10 a.m. to 11:30 a.m.**

The Department of Health Care Services (DHCS) and EDS will host a special "NPI Question and Answer" audio conference for the Medi-Cal provider community regarding NPI billing, claim processing and other types of transactions that comply with HIPAA regulations. Phone lines will be open for questions from providers after a brief presentation.

A panel of subject matter experts from DHCS, the Office of HIPAA Compliance, the Provider Enrollment Division (PED) and EDS will be available to respond to your NPI questions and concerns.

Providers **must** register in order to reserve an open phone line, receive the call-in information and **participate in the audio conference**. Providers that are planning to join the conference with a group only need one group participant to register.

Questions and answers from the conference will be available on the Medi-Cal Web site.
