

New Versions of Provider Applications and Disclosure Forms

All required provider application and disclosure forms have been revised to comply with the disclosure requirements of *California Code of Regulations* (CCR), Title 22, Sections 51000.30, 51000.31, 51000.32, 51000.35 and 51000.40.

Welfare and Institutions Code (W&I Code) Section 14043.15(a) grants the Department of Health Care Services (DHCS) the authority to adopt regulations for the certification of each applicant and each provider in the Medi-Cal program.

W&I Code Section 14043.15(b)(1) requires that applicants who are natural persons licensed or certificated under the *Business and Professions Code* or the *Osteopathic or Chiropractic Initiative Acts*, or who are professional corporations under subdivision (b) of Section 13401 of the *Corporations Code*, must enroll in the Medi-Cal program as either individual providers or as rendering providers in a provider group. This is true even if the person or the professional corporation meets the requirements to qualify as exempt from clinic licensure under subdivision (a) or (m) of Section 1206 of the *Health and Safety Code*.

W&I Code Section 14043.26(a)(1) requires that an applicant not currently enrolled in the Medi-Cal program, or a provider applying for continued enrollment, upon written notification from DHCS that enrollment for continued participation of all providers in a specific provider of service category or subgroup of that category to which the provider belongs will occur, or a provider not currently enrolled at a location where the provider intends to provide services, goods, supplies or merchandise to a Medi-Cal beneficiary, shall submit a complete application package for enrollment, continued enrollment or enrollment at a new location or a change in location.

Based upon the authority granted to the Director of the Department in W&I Code Section 14043.75(b), the Director hereby designates the following revised applications and disclosure statement that shall be completed by an applicant or provider when required by CCR, Title 22, Sections 51000.30, 51000.31, 51000.32, 51000.35 and/or 51000.40. This designation is a regulation implementing W&I Code Sections 14043.15 and 14043.26 and has the full force and effect of law. This designation is effective for all application and disclosure packages received on or after April 16, 2006. Application and disclosure packages received before April 16, 2006, will be processed under the rules and regulations in effect at the time the application and disclosure packages were received.

The applicant or provider, when required pursuant to CCR, Title 22, Sections 51000.30, 51000.31, 51000.32, 51000.35, and/or 51000.40, shall complete and submit, as applicable, the following attached applications and forms:
