**Subject: Retroactive Rate Adjustments to Surgery Claims for Select CPT-4 Codes**

Dear Provider:

The Department of Health Care Services (DHCS) updated provider reimbursement rates for surgery codes 17110 (destruction of benign lesions other than skin tags or cutaneous vascular proliferative lesions; up to 14 lesions) and 17111 (...15 or more lesions), effective retroactively for dates of service on or after January 1, 2017.

No action is required on your part. Conduent will adjust the affected claims. These adjustments will appear on *Remittance Advice Detail* (RAD) forms beginning April 12, 2018, with RAD code **0893: Retroactive rate adjustment**.

If you disagree with any of these adjustments, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date or you may submit an *Appeal Form* within 90 days of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website ([www.medi-cal.ca.gov](http://www.medi-cal.ca.gov)). For *Appeal Form* completion instructions, please refer to the *Appeal Form Completion* section in the appropriate Part 2 manual or on the Medi-Cal website.

If you have questions regarding these adjustments, please call the Telephone Service Center at 1-800-541-5555, option 5, followed by option 6.

Sincerely,

*Tanya E. Schuhmeier*
