

Public Comment Forum: Family PACT and Medi-Cal Family Planning Code Conversions

Effective for dates of service on or after December 30, 2013, the Department of Health Care Services (DHCS) will discontinue use of the current Family PACT (Family Planning, Access, Care and Treatment) Program and Medi-Cal Family Planning HCPCS Level III local codes. The local codes will be replaced with HCPCS Level II national codes in order to comply with provisions of the 1996 Public Law 104-191, 45 CFR 162.1000.
