### Through Date

#### Inpatient Services (IP)

Providers who submit claims for Inpatient Services or Inpatient Hospital Claims with a discharge date and/or through date on or after October 1, 2015, should be sure the claim contains ICD-10-CM/PCS codes. Claims with a discharge date and /or through date on or before September 30, 2015, should contain ICD-9-CM/Volume 3 codes.

**Note:** Claims for stays involving interim claims that overlap the ICD-10 implementation date of October 1, 2015, should be billed using ICD-10-CM/PCS codes. The final claim for stay or subsequent interim claims should be billed using ICD-10-CM/PCS codes. Prior to the ICD-10 implementation date, the long stay involving interim claims should be billed using ICD-9-CM/Volume 3 codes.

Example: Providers submitting multiple claims that overlap the ICD-10 implementation date:

1. A provider submitted an interim claim with dates of service 8/15/15 – 9/15/15 using ICD-9-CM diagnosis codes.
2. The provider submitted a second interim claim with dates of service 9/16/15 – 10/16/15 using ICD-10-CM diagnosis codes.
3. The provider submits a final claim with dates of service 8/15/15 – 10/30/15 using ICD-10-CM diagnosis codes and the interim claims will be voided.

## Special Instructions

Anesthesia Claims (Split Claims)	Providers who submit Anesthesia claims when a billed time frame overlaps the October 1, 2015, implementation date must submit two claims. One claim for the time units prior to October 1, 2015, must contain ICD-9-CM diagnosis codes and one claim for the time units on or after October 1, 2015, must contain ICD-10-CM diagnosis codes.
Block Billing/From-through Billing (Split Claims)	Provider types (HOM, HOS, LEA, etc.) that are allowed to do “Block Billing”, often referred to as “From-Through Billing”, must submit two claims: one claim with from-through billing for dates of service prior to October 1, 2015, containing ICD-9-CM diagnosis codes and one claim with from-through billing for dates of service on or after October 1, 2015, containing ICD-10-CM diagnosis codes.
Out-of-State Emergency Services	Out-of-State providers who have provided emergency services spanning the October 1, 2015, implementation date for ICD-10 should refer to the detailed ICD-10 billing instructions below to determine if their provider type should split bill or use a through date for billing proposes.
Pregnancy: Global Billing	Providers who bill obstetrical services on a global basis will use the FROM date of service to determine the ICD code set used when billing. Claims with a FROM date of service prior to October 1, 2015, must use ICD-9-CM diagnosis codes. Claims with a FROM date of service on or after October 1, 2015, must use ICD-10-CM diagnosis codes.
