#### ***Pediatric Obesity Provider Leadership Training***

You can be a leader in your pediatric setting. This interactive session is designed as a workshop for Medi-Cal and CHDP providers, and training staff who want to gain additional skill sets for the identification, prevention and management of pediatric obesity.

#### ***Learn How To:***

- Educate your staff and providers on how to chart BMI percentiles, conduct brief motivational interviewing and how to use state, county and local pediatric obesity community resources.
- Obtain ready-to-use training tools and office-centered techniques on the assessment and counseling of pediatric overweight and obesity.
- Use customized provider and patient education resources on nutrition, physical activity and obesity.

*Continuing education units will be available for attendees.*

***For the first 50 registrants, the pre-conference session includes FREE registration, dinner, parking and materials (for example the California Medical Association Foundation's Child and Adolescent Obesity Provider Toolkit.) Beyond the first 50 registrants there will be a \$100 registration fee.***

Register today for this pre-conference session at [www.childhood-obesity.net](http://www.childhood-obesity.net) or call (800) 858-7743.
