

## MCP: Code Directory

Page updated: May 2021

The following directory includes managed care plan (MCP) information for counties that offer Medi-Cal benefits to recipients enrolled in a managed care plan. The directory lists Health Care Plan (HCP) names, codes, addresses, telephone numbers and counties of operation.

**Note:** MCP is used interchangeably with HCP. For example, recipient eligibility messages use HCP, while manual pages use MCP. For information about contacting the Health Care Options (HCO) contractor or Office of the Ombudsman, refer to the *MCP: An Overview of Managed Care Plans* section in this manual. «Providers billing for dental services should refer to the *Medi-Cal Dental Provider Handbook* for specific billing/plan information.»
